

TIME FOR AN ADVENTURE

Our challenge ropes course is the perfect setting to get to know a new team, say goodbye to an old one, or celebrate a special day with friends.

We offer a fantastic range of resources to groups of all sizes on our challenge ropes course. Our programmes can be tailored to suit your goals, or we can provide a flexible package to adapt to you on the day.

Let us give you the opportunity to push your limits, face your fears, challenge your team, or compete with your friends and family in a safe, fun and supportive environment.

HIGH ROPES*

Made up of a range of different challenges and reaching heights of up to 12m, our high ropes course is designed to test everyone in a safe and fun environment.

ABL (ADVENTURE-BASED LEARNING)

A selection of ground-based activities designed to challenge groups and encourage them to work as a team and think outside the square. This activity can be run inside or outside.

TEAMBUILDING/INITIATIVE COURSE

Similar to ABL but using fixed apparatus, this course is designed to encourage team building, communication and thinking outside the box to solve a series of problems based at ground level.

ROCK CLIMBING*

Our outdoor climbing wall offers climbs of varying difficulties. The Adventure Southland climbing wall is a great introduction to climbing in a controlled environment.

ABSEILING*

Standing at 12m high, the Adventure Southland abseil tower allows students to face their fears and explore their personal limits.

FLYING FOX*

Starting off on a 12m high ledge, the flying fox allows you to soar over the grounds of Adventure Southland for 65 metres.

GIANT SWING*

No visit to Adventure Southland is complete without experiencing the giant swing. We'll leave the rest to your imagination.

FLYING WEKA*

The flying weka is a great team building activity which involves using team work to pull one team member up into the air allowing them to "fly" whilst attached via a harness. The team member then re-joins the group and someone else becomes the "Weka".

ARCHERY

We have an archery range set up adjacent to our ropes course, offering two lanes and distances up to 30 metres, there is plenty of scope for personal challenge or friendly competition.

* Weight/size limits apply.
